Mon Petit Universe

MY LITTLE UNIVERSE

*My Little Universe is full of life,
magic and light.*

*It hides a world
full of fantasy
connecting with the Nature.*

Journal des Enfants Perdus

DAIRY OF LOST CHILDREN

*The inner nature that dwells in me,
flies over places,
gets lost in forgotten houses,
has breakfast with the waves,
and falls soft like feathers or salt water foam.*

*Wreck among the imagination,
dive into the senses,
enjoy being lost.*
